Hijra Sex Organ Photos

If the categories 'man' and 'woman' are culturally constructed then there can be no universal meaning to the category woman or man. Only what it means to be a man or a woman in a particular society.

It also means that we do not have to be restricted to two genders

>transsexual – gender/ sex incongruent, "trapped in wrong body" but with the gender identity of their organs/sex change operation

- **>homosexual**
- ≻bisexual
- >eunuch castrated male
